

Pharma Quora'26

Catalysing Research Paradigm

17 - 18 FEB 2026

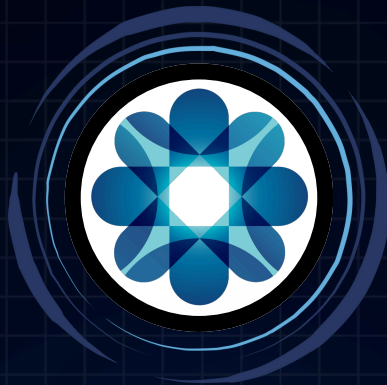

Pharma Quora '26

PharmaQuora aims to expand students' perspectives by offering a comprehensive platform that explores innovative approaches across Pharmaceutical Sciences, Basic Sciences, and Healthcare. Its purpose is to bring students together to exchange insights, experiences, and research outcomes on diverse topics shaping the field of pharmacy.

Catered to students all across the pharmacy and health sciences institutions.

Pharma Quora'26

1) Poster Presentation (17th February 2026; 2.00 PM - 4.00 PM)

One of the most awaited events, which gains maximum participation from the delegates. After submission and approval of an abstract which summarizes the content that the delegates wish to present, the delegates present posters on either Conceptual topics, or Research topics from the Scientific world. Each poster is evaluated by at least 2 evaluators, following which they are graded on various parameters. The top 3 Scientific posters from Conceptual category as well as research category (In both Junior and Senior category) are awarded and recognized.

2) Oral Presentation (17th February 2026; 2.00 PM - 4.00 PM)

This is an event that goes one step further than the Poster Presentation, where the abstracts are scrutinized much more comprehensively, the top 8 scoring abstracts from all the submissions are selected for Oral Presentation. This event involves making a presentation on current scientific topics (either research or conceptual) using PowerPoint, and presenting it to a panel of 3 evaluators, who will ask questions at the end of the presentation. The top 2 Scientific oral presentations from Conceptual category as well as research category (In both Junior and Senior category) are awarded and recognized.

3) Scientific Quiz (17th February 2026; 4.30 PM onwards)

An event that's designed to test the knowledge of the delegates in the scientific domain, proceeds in 2 rounds. The first round is the preliminary round, from which the top performers are selected for the Final Round. The top 3 teams, in both Junior and Senior Category, are awarded.

Pharma Quora'26

4) Scientific Photography (17th February 2026)

An event that sets itself apart from the generic photography events, wherein participating delegates need to click a picture that is related to the theme of PharmaQuora, and submit it along with an abstract of not more than 100 words, explaining the picture.

5) MedHire (18th February 2026; 10.30 AM - 12.30 PM)

A second edition event, conceptualized, which will be a great exposure to aspiring candidates who are willing to get placed in renowned companies post completion of their study at MCOPS, via campus placements. This event will be open to only the senior students of this college (3rd and 4th Year UG students). This event will be an entire simulation, from the very first step of submitting CV's to a written Analytical Reasoning round, followed by a Speed Interview round and finally culminating in the Final HR Interview round. With each subsequent round, the number of delegates progressing to the next round will be reducing, based on the top performers from the previous round. The top performers in the final round will be awarded.

4) Legal Rx : The Courtroom Battle (18th February 2026; 9.00 AM - 11.00 AM)

A brand new event which incorporates two different worlds into one competition - Legal battles and Pharmaceutical Sciences. Participants must analyze real, controversial and ongoing pharmaceutical cases and reach a consensus.

Venue: Dr. TMA Pai Auditorium, MAHE, Manipal & Manipal College of Pharmaceutical Sciences, MAHE, Manipal
